Complex tax return in case of arrival/departure	from CHF 430
Information to be provided for the related period - departure form in supplement (CHF 100)	

Quasi-Resident	
Tax return will be charged based on the above mentioned rates once status confirmed and estimates performed (free of charge in case of tax return filing)	

Remarks:

The rates include the reporting of life or health insurances, debts/mortgages and medical fees. However, depending on the complexity of the information to be reported in the tax return, we might charge to a higher scale. We will inform you accordingly before starting the preparation of your tax return.

Additional fees will be charged should you require our assistance to calculate the amount of your medical fees and/or of your real estate maintenance expenses/costs. A form might have to be completed.

For any incomplete file, we might charge for each 15 minutes overtime an extra cost at an hourly rate of CHF 60.

Additional services:

Tax at source rectification (depending on the complexity)	CHF 60 à 360
Review of tax return prepared by yourself	CHF 60 à 240
Review of tax bill of simple and standard tax returns	CHF 60
Review of tax bill of complex tax return	CHF 120
Claim (case-by-case)	upon request
Spontaneous announcement (case-by-case)	upon request
